

Career transition can seem downright scary—particularly if you're not prepared for it. This JobSeekers Program is designed to accomplish the following:

- *Equip you with the tools and skills to succeed in today's competitive job market.*
- *Clarify your "sweet spot"—the place where both your passion and skill meet in a way that makes success a likely outcome.*
- *Coach you in making important career choices.*
- *Network with Business Leaders in your field to understand career opportunities and how to capitalize on them.*
- *Give you the confidence you need to find meaningful work.*

Methodist Church

FREE Seminar Series

When you find a job that places you in the center of your talent and gifting, it feels wonderful! Our JobSeekers Program is uniquely designed to equip you to

- Identify your talent and gifting and then
- Seek and successfully land meaningful work.
- Help you see ordinary events through spiritual eyes.

This program will also help you gain perspective on what you are experiencing with corporate downsizing and how you can maintain your confidence when things do not seem to be going your way.
